Our first stop will be for a Muffin/ Coffee break in Sackville and then we will be on our way.

We will then travel along the beautiful Amherst Shore through several small quaint little communities, before arriving at the “Century-Old Historical Train Station” in Tatamagouche. With plenty of seating on the Train Station platform, we will enjoy our picnic lunch with surroundings that will take you back in time. (Please bring your own picnic lunch)

Once our visit is finished, we will depart for Masstown Market where there is something for everyone. Treat yourself to one of their famous ice creams or cinnamon rolls!

Early afternoon we will depart and travel the old highway 2 past Cobequid Bay, the Minas Basin & the famous 5 Islands towards Parrsboro. This scenic drive is known as the mini-Cabot Trail. The blueberry fields, will be grazed with a spectacular red velvet color.

Amazing! As the Trail comes to an end, we will make our way back to Sackville, where we have a delicious Group Dinner waiting for us.
