“Beautiful St. Andrews by the Sea”
Minister’s Island and Kingsbrae Gardens

Beautiful Saint Andrews by the Sea awaits you. Upon arrival we will visit Ministers Island. As it can only be reached by low tide, we will drive 1 km over the seafloor. Once there you are immersed in an experience from the late 19th & early 20th centuries as you visit the summer estate of Sir William Van Horne, the president and driving force behind the Canadian Pacific Railway. Time stands still as you visit his 50 room Cottage and his surrounding property. Please bring a Sandwich for your picnic lunch. Bottled water & dessert will be provided for you.

Early afternoon we will depart from Ministers Island and visit the beautiful Kingsbrae Gardens a multi-award winning 27 Acre horticultural masterpiece located in the heart of St. Andrews by the Sea. Enjoy your time here!

As we wrap up the afternoon we will tour through this historical Sea-Side Town of St. Andrews pointing out a few Historical landmarks along the way.

We will then travel back to Saint John, where we will enjoy a delicious Group Dinner (included) before making our way back home with many lasting summer memories.
